It has invested crores of rupees to create modern infrastructure including laboratories, equipments, library books, journals and research centre etc. The state of art technology and the academic standard of the college have been appreciated by all concerned, and it is emerging as one of the best institution of the country for the dental education.
The Dayanand Anglo Vedic society made a trust with destiny 125 years ago for the spread of education in India. Since then it has opened schools, colleges and technical institutions in all parts of India, from the metros to the remotest corners of the country.

The D.A.V. Trust entered the field of medical education and health care in 1986 when it established Maharishi Dayanand Maternity and General Hospital and the J.N. KAPOOR D.A.V. (C) Dental College at Yamuna Nagar in 1987. The historic decision gave a new direction to the D.A.V. fraternity and the D.A.V. movement has now achieved new heights in the field of medical education and health delivery.

The College had a good start with its first batch of 40 students admitted in the session 1987-88 in the B.D.S. Course and all the students passed out with flying colors in December, 1992 after completion of one year rotating internship. The College is presently affiliated to Pt. B. D. Sharma University of Health Sciences, Rohtak and is recognized by the Dental Council of India.

The college gained its strength and started MDS course in the speciality of Oral and Maxillofacial Surgery, Prosthodontics including Crown and Bridge and Implantology, Conservative Dentistry and Endodontics in 1998 and in the specialty of Orthodontics, Periodontics, Pedodontics & Preventive Dentistry in 2000 and till today all Students will have passed out are well settled and are working in different capacities in dental colleges throughout India.

DAV Dental College has an excellent Library and is well equipped with books and journals pertaining to all the specialties of Dentistry and other allied medical and general subjects. The library has been carefully planned to have more space and natural lighting for the comfort of the users. The library is fully air – conditioned and is well equipped with modern facilities and resources in the form of e library, online databases, video cassettes, Facilities such as photocopying, fax, access to internet resources, online journals.

Much is happening in the campus both from the infrastructure and academic point of view and in a very short period of time the college has grown in leaps and bounds gaining recognition nationally as well as internationally.

This process of gradual evolution that the DAV brings about is not just limited to students, but to all those associated with it; be they teachers, administrators, staff or parents.

DAV Dental College today is more than just an institution or an organization. Here students are instilled not only with excellent education, training on patients but also on the core values to help them become good individual and pay their debt to the nation and humanity.

Memo No.2/123/2005/5HB-I
Dated, Chandigarh, the 23/27-12-2011

Subject : Revision of Policy Regarding Higher Studies(Post Graduation Level) for Doctors in the Department of Health.

Refer to the subject noted above.

I have been directed to invite your attention to the subject mentioned above and to state that the admission of MBBS/BDS doctors for higher studies leading to Diploma/PG Degrees/Super Specialty Courses so far was governed by the policy circulated by the Health and Medical Education Department vide its memo No.2/123/2005-1HB-I, dated 31.3.2011. In order to build a strong resource base of specialist doctors and to facilitate the MBBS doctors in HCMS Cadre to acquire MD/Diploma/Degree, the existing policy has been amended after wide consultations. It has been decided to supersede the aforementioned policy dated 31.3.2011 & 05.12.2008 and issue fresh policy as follows. This policy will come into force from academic year 2011-2012:-

I. MBBS/BDS doctors will be eligible for doing Post Graduate Course, both degree as well as Diploma, after completion of four years of regular satisfactory qualifying service with two year rural service. Only the persons fulfilling this condition will be eligible for sponsorship against reserved seat in PGIMS, Rohtak or other Government Institution, and against the open seats in the Government Colleges of Haryana or any other state or well established and reputed Private Medical Education institutions, recognized by Medical Council of India(MCI). Only 15 candidates will be sponsored per year in these Private Institutions which are recognized by Medical Council of India(MCI) and are approved by Government of Haryana from time to time.

Eligible persons of this category will be entitled to draw full salary as they were drawing and the period spent on the prescribed duration of course will be treated as service for all intent and purposes. They will receive stipend, if paid by the institution and such stipend so received will be deposited in the State Treasury. They will be required to give a certificate in this regard attested by the Institution to Director General Health Services, Haryana.

II. No doctor will be allowed to go for any Post Graduation Course before completion of four years of regular satisfactory qualifying service including two years rural service. Such persons will have to resign from service in case they insist. However, the condition of rural service will not be applicable in the case of member of the HMES.

III. The applicant doctors should have completed 4 years of service on the last date of application given in the prospectus.

IV. In HCMS doctors can choose to do any PG Degree in PGIMS, Rohtak. However, in case of sponsorship of seats reserved for in-service candidate in Government Institutions or doctors going in private colleges. HCMS doctors will be sponsored only following disciplines :-

<table>
<thead>
<tr>
<th>1.</th>
<th>Anaesthesia</th>
<th>2.</th>
<th>Orthopaedics</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.</td>
<td>Anatomy</td>
<td>4.</td>
<td>Paediatrics</td>
</tr>
<tr>
<td>5.</td>
<td>Biochemistry</td>
<td>6.</td>
<td>Pathology</td>
</tr>
</tbody>
</table>
Under this policy doctors will be sponsored for higher studies with full pay, subject to other conditions in respect of these aforementioned specialities only. No HCMS/Dental doctors will be allowed to PG or any other course in correspondence distance learning mode. In case of admission in the private institution the fee and other charges for the course or hostel etc. will be paid by the candidate himself. If any doctor after four years of satisfactory qualifying service wishes to do PG course in any other speciality in the private institutions, he will have to seek extra ordinary leave without pay. His service, however, will be protected for the purpose of increments, seniority and pension. Such persons will also be entitled to stipend if available in the Institution.

V. When a doctor possess PG Degree before recruitment he will be allowed to join super specialization course only after serving the Government for a period of at least five years of regular satisfactory qualifying service. He will be eligible for sponsorship against Open/Reserve seats in PGIMS, Rohtak or any other Government Institution, in the State or the country. The condition of 2 years rural service will not be applicable to such doctors having PG Degree at the time of appointment.

Full salary will be paid to such doctors and the period spent on the super specialization course will be treated as service for all intents and purposes, in the fields to be determined by the department.

VI. Persons desirous of undertaking the Higher studies will have to obtain an NOC from the State Government before submitting their applications to the institutions concerned for admission in the course. Any application submitted without NOC of the competent authority will not be considered eligible for various benefits under this policy.

VII. Person desirous of undertaking higher studies for Super Specialty/P.G. Diploma/P.G. Degree courses against the reserved as well as open seats will be required to apply for a “No Objection Certificate” to the competent authority. No doctor can ask for an NOC for PG course as a matter of right. However, the State Government may grant NOC subject to the following conditions :-

   i) NOC shall be provided only in accordance with the conditions prescribed in this policy.

   ii) The upper age limit for PG Diploma/PG Degree/Super Specialization will be **45 years on 31st March of the admission year**.

   iii) The applications for NOC will be considered subject to the conditions that there was nothing adverse against the integrity, efficiency and disciplinary proceedings U/R-7 pending against the officers.
